Press Release

Atiner Star Construction Forms Partnership with Laborers Local 120

Indianapolis-Based MBE/WBE/DBE Contractor Announces Exciting New Partnership; Plans for Future Growth and Hoosier Jobs Creation

Indianapolis, September 15, 2009: Atiner Star Construction, a locally-owned MBE/WBE/DBE contractor is a company on the move. Atiner Star today announced that they have formed a partnership with Laborers Local 120 as part of an exciting new strategy to move into developing markets in the Indiana construction industry. Atiner Star's primary scopes of work are concrete curbs and sidewalks, monolithic sidewalks, exposed aggregate, and all types of decorative concrete, including stamping and coloring.

Atiner Star Construction's owner, Renita Myles, says of the company's new direction, "Atiner Star has many strengths, but our greatest strength is our ability to act on market opportunities and continue to provide high quality work to all of our clients. We're confident that our partnership with Local 120 will provide a dynamic new direction for Atiner Star."

Although based in Indianapolis, Atiner Star is quickly moving toward a state-wide business orientation. They have focused on building and maintaining strong business relationships with other contractors throughout Indiana. Myles says of their business philosophy, "We take pride in every project and in our craftsmanship. We know that quality work and customer satisfaction is key to every successful business."

David Frye, Business Manager of Local 120, commented on the new partnership with Atiner Star, "Atiner Star is an exciting company. We look forward to an excellent working relationship for many years to come." Laborers Local 120 represents over 2400 workers in Central Indiana.

Renita Myles and Atiner Star Construction can be contacted at: 317-682-3144. Atiner Star's corporate headquarters is located at: 5426 West 32nd Street, Indianapolis, Indiana 46224.
