Bellini Landscape & Design Company Forms New Partnership with Laborers Union

Job Creation and Emerging Markets are Top Priorities

Indianapolis, August 22, 2011: A locally-owned contractor, Bellini Landscape & Design Company LLC today announced they have formed an exciting new partnership with the Indiana Laborers Union as part of their strategic plan to create Hoosier jobs and move into new markets in the Indiana construction industry.

Bellini owner Carmen Bellini said of the new partnership, *“Bellini Landscape is truly excited about the new opportunities this presents for us to work with other union contractors. We are a company focused on providing a quality product and outstanding customer service.”* Bellini provides quality landscaping services as well as traditional sodding. However, Bellini’s pride and special area of expertise is their “hardscape” design and construction services.

Bellini added, *“We opened our doors in 1935 and today we see the partnership with the Laborers Union as a key piece of our long-term plan for growth while positioning Bellini for expansion into new markets. It’s very exciting.”*

Brian Krieg, Business Manager for Laborers Local 645, commented on the new partnership, *“Bellini has been an industry leader since 1935 and they are an outstanding company. This is win-win for the company, the workers, the union, and our large union contractors. We look forward to an excellent working relationship.”*
