## **C & L General Contractors & Services Forms Exciting New Partnership with Laborers Union!**

*Future Growth and Hoosier Jobs Creation are Priorities*

**Indianapolis, March 29, 2011:** A locally-owned MBE/DBE certified contractor, C & L General Contractors & Services, LLC, today announced they have formed an exciting new partnership with the Indiana Laborers Union as part of their long-term strategic plan for future growth and Hoosier jobs creation.

C & L, founded in 2007, provides utility relocation services as well as high-quality work in the area of concrete curbs and sidewalks and storm sewers. *“C & L is a focused company on the move. We are very much committed to excellence and an outstanding service experience for our customers,”* says owner Yohance Cheek.

Cheek added, *“We view this partnership with the Laborers Union as key in our strategic plan to help create good paying jobs for Hoosier workers while positioning C & L for expansion into growing markets.”*

David Frye, Field Representative for the Indiana Laborers District Council, commented on the new partnership, *“C & L is a good company with a solid reputation. We are extremely proud to be able to form these types of partnerships with MBE and DBE certified companies. These companies are job creators. We look forward to a long lasting excellent working relationship.”*

C & L General Contractors & Services, LLC corporate headquarters is located at: 528 Venus Drive, Indianapolis, Indiana 46241. Yohance Cheek may be contacted at: 317-333-2383.
