Capitol Drilling and Sawing Forms Dynamic New Partnership with Indiana Laborers Union

Focus on New Market Opportunities and Job Growth

Indianapolis, June 9, 2014: Capitol Drilling and Sawing announced today they have formed an exciting new partnership with the Indiana Laborers Union. Capitol owner, John Joest, has over 30 years of experience providing high-quality and customer-focused concrete drilling and sawing services. Capitol Drilling and Sawing performs concrete core drilling and sawing services for every setting.

Capitol's services include: concrete slab sawing, asphalt/pavement sawing, core drilling, and concrete wall sawing. Capitol's technical knowledge, experience, and high-quality equipment provides the ability to drill up to 48" diameter holes and through 24" slabs and walls. Capitol's capabilities also include hydraulic and electric for in-plant applications, utility and street applications, track mounted wall-sawing applications, and diamond chainsaws for eliminating overcuts at corners as well as diamond wire saws capable of cutting variable depths of concrete in almost any location.

Owner John Joest said of the new partnership, *"We're excited about our partnership with the Laborers Union and the opportunities this presents for us to open up new markets in the Hoosier state. We are experienced and well positioned to provide quality drilling and sawing services."*

Robert Norrington, Business Manager for Laborers Local 795, commented on the new partnership, *"Capitol Drilling is a great company with an outstanding track record. They are a huge asset for the Indiana construction market. They have years of experience and perform a wide variety of drilling and sawing services. We look forward to a successful partnership."*
