Concrete Tech, LLC Enters into Exciting New Partnership with Indiana Laborers Union

Dynamic Company Focuses on Versatility and Value

Evansville, January 15, 2014: Concrete Tech, LLC today announced they have created an exciting new partnership with the Indiana Laborers Union. The Evansville-based company places a special emphasis on providing versatility and value to its customers.

Concrete Tech's owner, Dan Romain, has over 15 years of experience providing high-quality and value-focused concrete construction throughout the Tri-State Region (Southern Indiana, Southern Illinois, and Northern Kentucky). Concrete Tech performs all types of large and small concrete construction including: paving, curbs/sidewalks, floor prep/sealing, grinding/polishing, concrete overlay systems, epoxy floor coatings, foundation work, and a full range of decorative concrete options. Concrete Tech is also a certified installer of Elite Crete Systems products.

Owner Dan Romain said of the new partnership, *"Concrete Tech is very excited about this partnership. We believe our versatility and extensive range concrete services presents us a unique opportunity now that we're a union company. We have quite a few years of experience in the construction industry, so we are greatly looking forward to building on that as we move forward."*

Barry Russell, Business Manager for Laborers Local 561, commented on the new partnership, *"Concrete Tech is an outstanding company with a great history and solid reputation. We look forward to a long partnership with this great company."*

Concrete Tech, LLC corporate headquarters is located at: 2221 Washington Ave., Evansville, Indiana 47714. For more information, please contact Dan Romain at: 812-760-2543 or via email at: domain@concretetech.us.
