Contractor Day at the Indiana Statehouse!

Hosted by Indiana Building Contractors Alliance - March 2nd

Indianapolis, February 25, 2015: The Indiana Building Contractors Alliance will host Indiana Union Contractor Day at the Statehouse on March 2nd from 10:30 - 1:30 p.m. in the North Atrium.

The event will celebrate the economic impact made by union contractor businesses throughout the state. In addition, we will recognize the 10,000th graduate to receive the Ivy Tech Associate's Degree in partnership with union construction apprenticeship programs.

The date of this event is particularly important. This will be the first full session day after bills switch from the House to the Senate. This will be a pivotal time for our fight against the repeal of the Common Construction Wage Law.

We urge contractors to participate in this event. We ask contractors to provide logo signage, banners and printed material highlighting your firm, your workforce and your project history. We will provide an 8ft table for your display. Please keep in mind space will not allow for large pop up displays. In addition, we encourage you to reach out to your legislator and ask them to walk through the event at the statehouse on March 2nd.

Please register for the event by using the registration link:
