Sunrise Maintenance Forms New Partnership with Indiana Laborers Union

"Where Quality Service is Always in Season!"

Indianapolis, October 7, 2014: Sunrise Maintenance, LLC announced today they have formed an exciting and dynamic new partnership with the Indiana Laborers Union. Sunrise Maintenance owner, Derek Youngblood, has over 15 years of experience providing new construction landscaping services.

Sunrise Maintenance's scope of work includes: Landscaping, irrigation systems, retaining walls, seeding and sodding, fertilization and weed control, lawn and landscape maintenance, and snow removal.

Sunrise Maintenance owner Derek Youngblood said of the new partnership, *"We're excited about our new partnership with the Laborers Union and the opportunities this presents for us to work with large union contractors in the state of Indiana. We believe our extensive experience and absolute commitment to quality makes us an asset to the construction market throughout Indiana."*

David Frye, Business Manager of the Indiana Laborers District Council, commented on the new partnership, *"We're very happy for the opportunity to build a relationship with a good company like Sunrise Maintenance. Their experience and scope of work should serve the Indiana construction market well. We look forward to a long and successful partnership."*

Sunrise Maintenance, LLC corporate headquarters is located in Terre Haute, Indiana. For more information contact Derek Youngblood at: 812-238-9931 or via email at: dereky.sunrisemx@gmail.com.
