TND Enterprises, Inc. Forms Exciting New Partnership with Indiana Laborers Union

Certified Contractor Focuses on Federal Government Projects Throughout Midwest

Indianapolis, August 31, 2015: TND Enterprises, Inc. today announced they have formed an exciting new partnership with the Indiana Laborers union. TND's owner, Troy Davis, has over 25 years of proven experience providing high quality construction services throughout Indiana and the Midwest.

A federally certified contractor, TND works throughout the Midwest in the following primary scopes of work: restoration and remodeling, general construction, demo, interiors, exteriors, siding, roofing, windows, and general services.

TND's owner Troy Davis said of the new partnership, *"TND is excited about this partnership. We believe the Laborers Union is the perfect partner for our business model and our market. The combination of a skilled workforce and a BAT certified training program provides the tools we need to be competitive."*

Ward Daniels, Business Manager of Laborers, Local 120 commented on the new partnership, *"TND is a solid company with a great business outlook. We're very happy to have a built a forward-looking partnership with an eye on quality and efficiency. We look forward to a long and successful partnership."*

TND corporate headquarters is located at: 5401 South East Street, Suite 205-C, Indianapolis, Indiana 46217. For more information contact Troy Davis at: 317-500-1623 or via email at: tdavis3353@aol.com.
